

Stockton Heath Lawn Tennis Club

Clubhouse re-opening!

Saturday 1 August 2020

The Committee are pleased to notify members that from the above date the Clubhouse will be able to be used by members. Initially, the bar and kitchen areas remain closed however the toilets and main Clubhouse room can be used.

In line with LTA and Government Covid-19 guidelines we ask all members to do the following:

- ensure hand washing and sanitising is done regularly whilst at the Club
- keep social distancing and avoid congregating wherever possible, particularly at court gates
- sit/stand outside whenever possible
- if entering the Clubhouse use the main door as the entry point and the side door as the exit route
- sanitise your hands on entering the Clubhouse (hand gel provided in porch)
- enter your details on the Clubhouse recording sheet (this is to assist the NHS Test and Trace) or use one of the slips and place it in the box provided
- do not leave clothing or bags in the Clubhouse or changing rooms
- at this point please do not shower in the changing rooms nor change there

We will be reviewing when the kitchen and bar areas can open and will inform all members when this is the case.

LTA guidance for tennis players can be found using this link:
